

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL MEMORANDUM**

**SB 1054 – HB 1263**

March 27, 2013

**SUMMARY OF ORIGINAL BILL:** Requires municipalities whose annexations become effective by court order to send written notice to all newly-annexed property owners by First-Class mail. If a judge holds the annexation proposal as valid, the municipality may request the court to consider a deferred effective date for annexation validation. Prohibits municipalities from assessing property within annexed territories unless the property was annexed prior to January 1 of the year in which the assessment is to be made; applies to assessments made on or after January 1, 2012. Establishes minimum requirements to be included in an annexing municipality's plan of services.

**FISCAL IMPACT OF ORIGINAL BILL:**

Increase Local Expenditures – Exceeds \$1,000\*

Other Fiscal Impact – Due to several unknown factors, any change in local government property tax revenue cannot be determined.

**SUMMARY OF AMENDMENT (005753):** Deletes sections 5 and 6 of the original bill that added minimum requirements to be included in an annexing municipality's plan of services and reference to such plan of service minimum requirements.

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:**

**Unchanged from the original fiscal note.**

Assumptions for the bill as amended:

- This bill as amended will result in impact to local governments only.
- The number of newly-annexed property owners in each annexation case is indeterminable; therefore, the number of notifications each municipality will be required to send by first-class mail is unknown. However, the recurring increase in local government expenditures is reasonably estimated to exceed \$1,000 per year statewide.

**SB 1054 – HB 1263**

- Due to multiple unknown factors, such as the number of municipalities that will annex territory, the number of future annexed territories, the value of land within the annexed territories, the extent of future development on any annexed territories, a precise fiscal impact to local government property tax revenue cannot be determined.
